To All Directors of Departments

Subject: Defining “the job responsibilities of the Board of Directors”

Greetings in the Precious name of Jesus!

“There is no branch of legitimate business for which the Bible does not afford an essential preparation. Its principles of diligence, honesty, thrift, temperance, and purity are the secret of true success. These principles, as set forth in the book of Proverbs, constitute a treasury of practical wisdom. Where can the merchant, the artisan, the director of men in any department of business, find better maxims for himself or for his employees than are found in these words of the wise man: Ed 135.1

“‘Seest thou a man diligent in his business? he shall stand before kings; he shall not stand before mean men.’ Proverbs 22:29. Ed 135.2

“‘In all labor there is profit: but the talk of the lips tendeth only to penury.’ Proverbs 14:23.” Ed 135.3

Please be informed that the Executive Council, in keeping with ARTICLE VII, Section 1 (a) of our By-Laws, is currently defining **“the job responsibilities of the Board of Directors.”** Upon completion of this task, we will invite all Directors to meet with us to discuss the execution of said responsibilities. We therefore wish to apologize to all those who requested to meet with us or sent us their department’s work plans, and we failed to respond in a timely manner. We are working towards the realization of this meeting with you within two to three weeks’ time.

We pray and trust that God’s blessings will be with you and your families as we work together for the advancement of Present Truth.

Yours truly,

On behalf of the Executive Council,

P. W. Herawati Ompusunggu,
Executive Secretary.
